IBM SERVICES :

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Yogashree M D's Account). Below this, the main dashboard area features a 'Dashboard' header with options to edit the dashboard, upgrade the account, and create a resource. A sidebar on the left contains icons for various services like Cloud, Kubernetes, and VM. The central content area is titled 'For you' and contains five tiles: 'Build' (a large blue tile), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a virtual machine' (7 min), and 'Build and deploy Node.js apps' (15 min). Each tile includes a brief description and a 'Getting started' button. At the bottom, there are sections for 'User access' (Manage users), 'News' (View all), and 'Planned maintenance' (View).
